The RITANI warranty is only applied to jewelry where the RITANI trademark identification mark is stamped thereon to identify it to be a product of RITANI. Without such indicator and this warranty card, RITANI shall treat such a product as an unauthorized copy of its product, and not provide any warranty. This warranty is limited to the repair and/or replacement at RITANI's discretion. RITANI is not responsible for failure of the product or any other non-conformance caused by or attributable to (a) any misuse of the product; (b) your neglect of, abuse of, or accident to, the product; or (c) general wear and tear of the product. If RITANI decides that the product is not under warranty it will return the unwarranted piece to you at your expense. RITANI will not honor the warranty if RITANI determines that the product has been worked on or repaired on any party other than RITANI or an authorized RITANI jeweler, or if the product forwarded to RITANI is not manufactured by RITANI. RITANI will only take action under the warranty when you deliver the product to RITANI and enclose the product, proof of purchase, receipt date and copy of the reverse side of the RITANI warranty card. You are responsible to insure the product, or assume the risk of loss or damage in transit. This warranty policy also includes yearly polishing. For warranty returns: RITANI may substitute a similar style for discontinued styles. RITANI is not responsible for sentimental value of original ring. Effective date: January 2011.
